WHAT IS RTI? HOW DOES THIS AFFECT OUR SCHOOL?

It is the goal of our school and our school improvement plan to meet the strengths and challenges of *all* of our students. RtI or Response to Instruction is one of the ways that our staff members work together to meet this goal. RtI begins with the assessment of each student's levels, whether they are on grade level, below grade level, or above grade level. Our teachers assess all students and then determine the best approach to meet specific needs. If you have any questions about strategies or resources that your child's teacher is using, feel free to contact them anytime. Thank you for your continual support of your student. We are dedicated to helping all students be successful.

GRANDPARENTS' BREAKFAST

Grandparents or special guests are invited to breakfast and a look inside the classroom on Friday, September 16. Breakfast will be served from 7:30-8:30 AM. All students and grandparents should go to the cafeteria to pick up breakfast. There will be seating available in the cafeteria and overflow seating in the gym.

We will kick off our Buy One, Get One Scholastic Book Fair on Friday, September 16, 7:30-8:30 AM. The Book Fair will be in the gym. The Book Fair will be open September 19-23. Look for more information in upcoming newsletters.

The buses need to enter the parking lot and pull in front of the building. Therefore, only park in designated parking spaces. The parking spaces along the west end of the building need to be left open for morning car riders. We hope to see you there!

Picture day is Wednesday, September 21. We will be sending order forms home. Please mark your calendar.
