SCES RECEIVES an "A" Rating from the IDOE
IN THE NEWS: Did you know that in December the Indiana Department of Education released the accountability grades for Indiana schools for the 2015 – 2016 school year? South Central Elementary School received an "A" rating. Congratulations to all of our students, families, and staff members for all of the hard work. Watch the newsletter for a celebration announcement.

WHAT IS RTI? HOW DOES THIS AFFECT OUR SCHOOL?

It is the goal of our school and our school improvement plan to meet the strengths and challenges of all of our students. RtI or Response to Instruction is one of the ways that our staff members work together to meet this goal. RtI begins with the assessment of each student's levels, whether they are on grade level, below grade level, or above grade level. Our teachers assess all students and then determine the best approach to meet specific needs. If you have any questions about strategies or resources that your child's teacher is using, feel free to contact them anytime. Thank you for your continual support of your student. We are dedicated to helping all students be successful.

BOX TOPS FOR EDUCATION

Thank you for the Box Tops for Education! The grand total collected for December was 1,086. Each Box Top is worth 10 cents so that is \$108.60 for our school. The winning class with 197 Box Tops and winning extra recess is Mrs. Tostaine's 2nd grade class. The winning class for the 9 weeks and winning a pizza party is Ms. Crecelius' 3rd grade class. Congratulations! The next due date for Box Tops is January 30.
