## SHCSC BOARD OF TRUSTEES MEETING

The South Harrison Community School Corporation Board of Trustees met at SCES this week. SCES goals and strategies were shared with the members. Board members also took a tour of our building and observed Ms. Keenan and some of her art students creating original works on laptop computers.

Five volunteers of the National Elementary Honor Society shared the purpose of the NEHS program, the history, and some of the recent service projects in the community and at the school. Mrs. Freiberger also shared updates from the preschool program. Thank you to the Board of Trustees and Dr. Eastridge for your continual support of our school.
