VETERANS DAY PROGRAM

Last Friday, November 11th, the SCES community came together to recognize those that have served our country. National Elementary Honor Society members helped to make the veterans feel appreciated and welcome during breakfast. They greeted veterans and guests as they entered the auditorium. During the program, elementary students took part in special performances to honor veterans with singing and poetry. Desley Miller Snyder, the Harrison County Veterans Service Officer, served as our guest speaker. Special thanks to Mrs. Frakes and the cafeteria staff for providing breakfast for the veterans and their families. Special thanks to Mrs. Raneigh Kincaid for coordinating the program.

INCENTIVE PARTY!

This nine weeks students will be rewarded for showing kindness towards others. Students who demonstrate kindness towards classmates, teachers, staff members, and family will earn points towards the incentive party at the end of the 9 weeks. South Central Elementary is also creating a paper chain of kindness throughout the building this holiday season. Any student or staff who would like to recognize someone for their kindness can fill out a paper light, which will be strung down the hallway. This will be an additional reminder to all that it is important to show kindness!

4TH GRADE INVENTION FAIR

The annual 4th Grade Invention Fair will take place Tuesday, November 22, in the 4th grade hallway at SCES. Viewing will begin at 1:45 and end at 2:45. We will be serving punch and cookies to celebrate our hard work! Come and talk to the 4th graders about their inventions! Thanks!

CHRISTMAS BASKETS

As the holiday season approaches, volunteers at the South Harrison Community Center will be collecting toiletries for Christmas Baskets for people in need in our community. We would like to join in this effort. Grade levels have been assigned an item to donate. We will be collecting donations through Thursday, December 8. Any donation will be greatly appreciated.
