## SPELL BOWL

The SCES Spell Bowl team competed at Bradie Shrum Elementary in Salem. They practiced hard through the month of November and were excited to compete. The team placed 3rd in their division. Way to go! Team members this year were Kayla Russel Carroll, Trinity Howard, Rebecca Seewer, John Davis, Jaydon Layer, Kenzie Hutt, and Radia Coffman. Thanks to Trinity Howard for keeping score for the team. Special thanks to Coach Tostaine and sponsor, Mrs. Yates for her help!

## THE DICTIONARY PROJECT

Special thanks to *The Harrison County Community Foundation* for providing third grade students with a new dictionary through The Dictionary Project. The Dictionary Project is designed to aid third grade teachers in their goal to see all their students leave at the end of the school year as good writers, active readers, and creative thinkers. The dictionary is for the children to keep, so they can use it throughout their school careers. While your child is in this very important development stage, we hope you will encourage them to “look it up” in the dictionary when they need to know how to spell, how to pronounce, or what a word means.
