**ANNUAL 4TH GRADE INVENTION FAIR**

Thanks to our families and community members for supporting our 4th grade Invention Fair. Several guests attended the Fair on Tuesday afternoon, November 22, to talk with the students about their inventions. The students shared their inventions and their brochures with their families. It was great to see each of the students acknowledged for their creative efforts in making a new invention! Special thanks to our 4th grade teachers, Ms. Boone, Mrs. Eastridge, and Mrs. Yates for coordinating this event.
